Sponsorship & Donation Package

Supporting Local Charities And Community Members In Need

On June 21st, the Hillsdale Firefighter's Association will be hosting our 13th annual Golf Tournament named after our longest serving volunteer firefighter, Ken Copeland. Last year was a record year for support and donations to "The Ken Copeland Classic", and we hope to keep that momentum going this year. Through the generosity of organizations like yourself we are proud to be able to annually support several organizations like The Voice for Deaf and Hard of Hearing Children, the MS Society of Simcoe County, Gilda's Club, Camp Bucko, The Angioma Alliance of Canada, Simcoe County Family Connections and local families within our community in need.

We are excited to offer several opportunities for sponsorship and donation involvement which are outlined further in this package. If your organization is interested in getting involved with a sponsorship or donation please complete the attached form and return it to us prior to May 15th, 2025. All sponsorships and donations will be recognized with signage and vocalized mention during our dinner following the on-course activities. Arrangements can be made for one of our Association Members to pick up and collect sponsorships and donations if needed.

We greatly appreciate your consideration for supporting this initiative and helping us give back to our community and organizations greatly in need of support. It is through the support and donations of others that we are able to host this special event each year. We hope you see the value in supporting our cause and the impact that your support will bring to these great charities, organizations and local families.

Thank you for your consideration. If you would like more information, please contact
